NOTE: *No hand written or interlineated changes to this Lease will override the printed text of this lease.*

In consideration of the mutual covenants and representations set forth in the Lease (the "Lease") and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties do hereby agree as follows. The capitalized terms used herein shall have the meaning assigned to such terms in the Lease, unless another meaning is assigned to such terms in this Exhibit A.

1. **DEMISE.** Upon the terms and conditions hereinafter set forth and as set forth in the Lease, Landlord does hereby lease to Tenant, and Tenant does hereby lease from Landlord, the Leased Premises for the Term of the Lease. Landlord represents and warrants to Tenant that Landlord is the fee simple owner of the Leased Premises and has the right to lease the Leased Premises to Tenant pursuant to the terms of the Lease. Landlord further represents and warrants to Tenant that there are no easements, covenants, restrictions or other agreements or instruments encumbering the Leased Premises that (i) contain any pre-approval rights relating to the Lease (including any lender approval rights) which have not been secured by Landlord, or (ii) would interfere with or restrict Tenant's ability to use the Leased Premises for office, storage and any other purpose permissible under applicable law (the "Permitted Use"). Landlord further represents and warrants to Tenant that (x) the use of the Leased Premises for the various purposes for which it is presently being used is permitted under all applicable zoning legal requirements and (y) all utilities necessary for the use of the Leased Premises for the various purposes for which it is presently being used are being supplied to the Building via publicly dedicated utility easement areas. The Request for Lease Proposal from which the Lease originated and the Landlord's response to the Request for Lease Proposal (collectively, the "Proposal Package") are hereby incorporated in the Lease; provided, however, that in the event of any conflict between the Proposal Package and the Lease, the Lease shall control.
2. **RENT.** The Monthly Rental Installments for the lease of the Leased Premises shall be payable in **arrears on the last day of each and every month during the term** hereof to Landlord by Automated Clearing House (ACH) payment to the account set forth on the Supplier Direct Deposit Authorization Form.
 - A. No payment shall be made by Tenant under the Lease until Tenant has received an **"IRS W-9 Form"** and a **"Supplier Direct Deposit Authorization Form"** which have been properly completed and signed by all required parties on the forms provided by the Tenant. Landlord acknowledges that the **"Supplier Direct Deposit Authorization Form"** must be certified by Landlord's financial institution (bank) and that that the State will only accept the original Supplier Direct Deposit Authorization Form received directly from the Landlord or its bank. The original, completed **"IRS W-9 Form"** and **"Supplier Direct Deposit Authorization Form"** must be sent to the Tenant at the following address and marked **CONFIDENTIAL**:

State of Tennessee
Attn: Supplier Maintenance
21st Floor WRS Tennessee Tower
312 Rosa L Parks Avenue
Nashville, TN 37243
 - B. Notwithstanding anything in the Lease to the contrary, Landlord agrees that the rent provided under the terms of this Section 2 is based in part upon the costs of the services, utilities, and supplies to be furnished by Landlord pursuant to Section 3 hereof and that should Tenant vacate the Leased Premises prior to the end of the Term of the Lease, or, if after notice in writing from Tenant, all or any part of such services, utilities or supplies for any reason are not used by Tenant, then, in such event, the Monthly Rental Installments as to each month or portion thereof as to which such services, utilities or supplies are not used by Tenant shall be reduced by an amount equal to the average monthly costs of such unused

services, utilities or supplies during the six-month period immediately preceding the first month in which such services, utilities or supplies are not used.

3. LANDLORD'S OBLIGATIONS.

- A. Utilities: If required by Block 8 of the Lease, Landlord shall, at Landlord's expense, furnish all utilities to the Leased Premises, including electrical, gas, water and sewer, heat, ventilation, and air conditioning in capacities sufficient for the Permitted Use; provided, however, Tenant shall be responsible for telephone and data services. These utilities, if provided by Landlord, must be provided on a 24 hours per day, 7 days a week basis. The temperature of the telecom closet on the Leased Premises at all times shall be maintained between 64 and 75 degrees with a relative humidity range of 30-55%. The temperature of the interior of the Leased Premises where State employees or contractors operate at all times shall be maintained between 68 and 72 degrees with a relative humidity range of 30-55%.
- B. Landlord shall also, at Landlord's expense, furnish and maintain appropriate outside trash and refuse receptacles for the disposal of trash and refuse from the Leased Premises. Furthermore, Landlord shall have maintenance personnel available to respond to routine calls within twenty four (24) hours and emergency calls within four (4) hours. "Emergency" repair or maintenance calls shall include, but not be limited to, situations involving HVAC, electrical, plumbing, roof leaks, utility disruptions, ingress and egress, and environmental issues which prevent the Tenant from using the Leased Premises for the Permitted Use.
- C. Insurance: Landlord shall, at Landlord's expense, maintain fire and extended coverage insurance on Leased Premises, in an amount not less than the full replacement cost of the Building, and comprehensive general liability insurance coverage in the sum of One Million Dollars (\$1,000,000) per occurrence and Three Million Dollars (\$3,000,000) per annual aggregate against any and all liability, loss or damage arising from any injury or damage to any person or property occurring in or about the Leased Premises or the Building resulting from Landlord's negligence or matters arising for reasons beyond Tenant's control. The policies described in this Section shall name Tenant as an additional insured. Annually, Landlord shall furnish Tenant with a certificate of such coverage which shall provide that thirty (30) days' advance written notice shall be given to Tenant in the event of cancellation or material change in the insurance policies maintained as required herein.
- D. Taxes: Landlord shall be responsible for payment of all real estate taxes assessed against the Building or land on which the Building is located, as well as all applicable local, state and federal income taxes which are or may be payable by Landlord. Landlord, by virtue of leasing property to Tenant, does not become a State of Tennessee agency, entity, or employee and is not entitled to any rights, privileges or immunities pertaining to the State or its agencies and instrumentalities.

E. Janitorial: If required by Block 8 of the Lease, Landlord shall, at Landlord's expense, provide janitorial services and janitorial supplies, including break room supplies, to the Leased Premises in accordance with the following schedule:

F. Pest Control: Landlord shall, at Landlord's expense, provide monthly interior and quarterly exterior pest extermination services. All such services shall be performed after normal business hours.

4. **IMPROVEMENTS**. Tenant shall have the right during the existence of the Lease to make alterations, attach fixtures and erect additions, structures or signs in or upon the Leased Premises. Such fixtures, additions, structures or signs so placed in or upon or attached to the Leased Premises under the Lease or any prior lease of the Leased Premises by Tenant shall be and remain the property of Tenant and may be removed therefrom by Tenant prior to the termination or expiration of the Lease or any renewal or extension thereof, or within a reasonable time thereafter. Tenant shall be permitted to maintain, inspect, repair and replace any equipment or fixtures installed by Tenant on the Leased Premises.

5. **TERMINATION FOR CAUSE**. Tenant may in its sole discretion terminate the Lease at any time for any of the following causes: (a) Landlord's failure to disclose any conflict or potential conflict of interest existing at the date of the Lease or hereafter created; (b) termination or consolidation of Tenant's operations or programs housed in the Leased Premises because of loss of funding; (c) lack of funding by the appropriate Legislative Body for obligations required of Tenant under the Lease; (d) misrepresentations contained in the response to the request for proposal or committed during the negotiation, execution or term of the Lease; (e) failure to comply with the assertions and promises set forth in the response to the request for proposals; (f) the availability of space in Tenant-owned property, provided that no cancellation for this reason may take place until the Lease has been in effect for one year; and (g) any default by Landlord which is not adequately remedied in accordance with Section 7 hereof. Notwithstanding the foregoing, all terms and conditions of the Lease are made subject to the continued appropriations by the appropriate Legislative Body.

6. **ENVIRONMENTAL PROVISIONS**. Following due inquiry, Landlord represents that there are no hazardous substances or hazardous wastes as defined by the Comprehensive Environmental Response and Liability Act or any hazardous wastes as defined by the Resource Conservation and Recovery Act, or any mold, PCB's, radon or asbestos containing materials, located on, in or about the Leased Premises to be occupied by Tenant. Landlord agrees that should any hazardous wastes, hazardous substances, mold, PCB's, radon or asbestos containing materials be determined to be present as a result of the acts or omissions or negligence of any person or legal entity, other than Tenant, Landlord shall indemnify, hold harmless and defend Tenant from all claims, damages, expenses or litigation resulting from the presence of such materials. If Tenant reasonably believes that hazardous substances may be present in the Leased Premises or the Building, Landlord will engage, at its expense, a qualified third party engineer to conduct an appropriate environmental survey. If hazardous substances are found or such survey indicates a risk of such hazardous substances being present in the Leased Premises or Building, then Landlord, at its expense, will make all necessary changes and/or corrections so that the Building and/or the Leased Premises are in compliance with all environmental laws and regulations. In the event Landlord discovers hazardous materials on the Leased Premises during the Term of the Lease, Landlord shall promptly notify Tenant.

7. DEFAULT.

A. Tenant shall be in default of the terms of the Lease if Tenant shall fail to make a payment of any rent or additional rent, and such rent or additional rent is not paid within ten (10) days of written notice by Landlord to Tenant of non-payment of same, or in the event that Tenant shall otherwise commit an act of default under the terms hereof, and shall not cure such default within thirty (30) days of written notice by Landlord to Tenant of such default, or, if it is not possible to complete the cure by such time, Tenant has not commenced the cure within such 30 day period and does not thereafter diligently pursue the same to completion within a reasonable time thereafter. In the event of default by Tenant hereunder:

- i. Landlord may continue the Lease in full force and effect and shall have the right to collect rent when due. During the term Tenant is in default, Landlord may reenter the Leased Premises with legal process and re-let same, or any part thereof, to third parties for Tenant's account. Tenant shall pay to Landlord the rent due under the Lease on the date such rent is due, less the rent Landlord receives from any re-letting. Landlord shall make its best efforts to re-let the Leased Premises at a reasonable price. Under this paragraph, Tenant's obligations shall not exceed the total rent due for the remainder of the term.
- ii. Landlord may terminate the Lease pursuant to the terms of this Section. Upon termination, Landlord shall have the right to collect an amount equal to all expenses, if any, not including attorneys' fees, incurred by Landlord in recovering possession of the Leased Premises and all reasonable costs and charges for the care of the Leased Premises while vacated by Tenant.

B. Except as specifically set forth herein, Landlord shall be in default of the terms of the Lease if Landlord shall commit an act of default under the terms hereof, and shall not cure such default within twenty (20) days of written notice by Tenant to Landlord of such default, or, if it is not possible to complete the cure by such time, Landlord has not commenced the cure within such 20 day period and does not thereafter diligently pursue the same to completion within a reasonable time thereafter. In the event of a default by Landlord hereunder, Tenant may, in addition to all rights and remedies available at law or in equity, (i) cure such default and deduct any reasonable and necessary amounts incurred by Tenant in connection therewith from future rent payments due by Tenant hereunder with the presentment of receipts for such reasonable and necessary actions, or (ii) terminate the Lease. Notwithstanding the foregoing, in the event that Tenant is unable, in its reasonable judgment, to operate in the Leased Premises as a result of the failure by Landlord to satisfy its obligations pursuant to Section 3 hereof (A) for a period of more than forty eight (48) consecutive hours, then the rent shall abate during the entire period of the disruption and Tenant shall have the right to terminate the Lease in the event Landlord remains unable to satisfy its obligations pursuant to Section 3 hereof for a period of more than ten (10) consecutive days; or (B) more than ten (10) days during any twelve (12) month period, then Tenant shall have the right to terminate the Lease.

8. END OF TERM. At the termination of the Lease, Tenant shall surrender its interest in the Leased Premises to Landlord in as good condition and repair as reasonable use thereof will permit, ordinary wear and tear excepted, and will leave the Leased Premises broom clean. Tenant shall have the right, prior to said termination, to remove any equipment, furniture, trade fixtures or other personal property in the Leased Premises owned by Tenant, provided that Tenant promptly repairs any damage to the Leased Premises caused by such removal. In the event of holding over by Tenant after the expiration or termination of the Term of the Lease, Tenant shall pay rent at the then current rate for rent as set forth in the Lease, on a monthly basis and the Term of the Lease shall be automatically extended for successive periods of one (1) year each; provided that during any automatically extended period following the expiration of the Term of the Lease, Landlord and Tenant shall each have the right to terminate the Lease by delivering written notice to the other at least ninety (90) days prior to the desired expiration date.

9. **DAMAGE OR DESTRUCTION.** If the Leased Premises are damaged by fire or other casualty, the damage shall be repaired by and at the expense of Landlord (excluding any personal property which is owned by Tenant), provided that such repairs can, in Landlord's opinion, be made within sixty (60) days after the occurrence of such damage. Landlord shall notify Tenant within fifteen (15) days of the event of casualty of its determination. Until such repairs are completed, the rent shall be abated in proportion to the part of the Leased Premises rendered unusable, but there shall be no abatement of rent for a period equal to one (1) day or less. If such repairs cannot, in Landlord's opinion, be made within sixty (60) days and Landlord nonetheless chooses to repair, then Tenant may, at its option, continue as Tenant under the Lease until such repairs are completed, during which time all rent shall abate, or Tenant may terminate the Lease. A total destruction of the Building in which the Leased Premises are located shall automatically terminate the Lease. Total destruction of the Building shall be defined as damage greater than fifty percent (50%) of the then replacement value thereof.
10. **NOTICES.** Any notice required or permitted to be given hereunder shall be sufficiently given if personally served, sent by registered or certified mail, or by reputable overnight courier, addressed to the relevant party at the addresses specified in the Lease, for Landlord, and for Tenant to: Real Estate Asset Management, 312 Rosa L. Parks Avenue, 24th Floor, Nashville, Tennessee 37243.
11. **QUIET ENJOYMENT.** Landlord warrants and shall defend Tenant in the quiet enjoyment and possession of the Leased Premises during the term and any extension or renewal thereof.
12. **SUBORDINATION, ATTORNMEN AND NON DISTURBANCE.** Tenant agrees that the Lease and all rights of Tenant hereunder are and shall be subject and subordinate to any ground or underlying lease which may now or hereafter be in effect regarding the Building or any component thereof, to any mortgage now or hereafter encumbering the Leased Premises or the Building or any component thereof, to all advances made or hereafter to be made upon the security of such mortgage, to all amendments, modifications, renewals, consolidations, extensions and restatements of such mortgage, and to any replacements and substitutions for such mortgage (collectively, "Mortgages"); provided as a condition to such subordination, any holder of the Mortgage must enter into a Subordination, Non-Disturbance and Attornment Agreement with Tenant in form reasonably acceptable to Tenant. In the event any proceedings are brought for the foreclosure of, or in the event of exercise of the power of sale under, or in the event of a deed in lieu of foreclosure with respect to any Mortgage covering the Leased Premises or the Building, or in the event of termination of any lease under which Landlord may hold title, Tenant shall, at the option of transferee, attorn to such transferee and shall recognize and be bound and obligated hereunder to such person as Landlord under the Lease, unless the Lease is terminated. Notwithstanding anything contained herein to the contrary, so long as Tenant is not in default in the payment of rent, or in the performance of any of the other terms, covenants or conditions of the Lease beyond any applicable cure periods, no mortgagee or similar person shall disturb Tenant in its occupancy of the Leased Premises during the original or any renewal term of the Lease notwithstanding any event or proceedings described in this section.
13. **APPROVALS.** Neither the Lease nor any amendment or modification hereto shall be effective or legally binding upon Tenant, unless and until a fully executed, original Lease has been returned to Tenant and the review and approval by all appropriate State officials and the State Building Commission, if applicable has been obtained.
14. **COMPLIANCE WITH LAWS.** Landlord represents and warrants to Tenant that as of the Commencement Date, the Building and the Leased Premises will comply with the provisions of the Americans with Disabilities Act (ADA) in all material respects. Landlord hereby indemnifies and holds harmless Tenant from and against all costs, liabilities, and causes of action occurring or arising as a result of Landlord's failure to comply with any of the requirements of the ADA or similar laws or as a result of any violation of any of the requirements of the ADA or similar laws by Landlord or its agents. Tenant reserves the right, at any time during the Term of the Lease, to require Landlord to make additional reasonable accommodations to comply with the Americans with Disabilities Act. These accommodations may include, but are not limited to, modifications to the exterior or interior of the Building, any ingress and egress points to the Building or property on which the Building stands, or any portion of the property that may serve to limit accessibility to disabled persons. Landlord shall provide all life safety equipment, including but not limited to, fire extinguishers and smoke alarms, in compliance with applicable municipal building codes.

15. **FORCE MAJEURE.** With the exception of the obligation of Tenant to pay rent and all other amounts that may be due from time to time under the Lease, if either party shall be delayed or hindered in or prevented from doing or performing any act or thing required hereunder by reason of any matters beyond the reasonable control of such party, then such party shall not be liable or responsible for any such delays and the doing or performing of such act or thing shall be extended for a period equivalent to the period of such delay. In such event, the Lease and the obligations of both parties to perform and comply with all of the other terms and provisions of the Lease shall in no way be affected, impaired, or excused.
16. **RECORDS RETENTION.** Landlord shall maintain documentation for all charges against Tenant under the Lease. The books, records and documentation of Landlord, insofar as they relate to reimbursement by Tenant for costs incurred, whether in whole or in part, shall be maintained in conformity with generally accepted accounting principles for a period of five (5) full years from the date of what amounts to the final payment under the Lease, and shall be subject to audit, at any reasonable time and upon reasonable notice by the Comptroller of the Treasury or his duly appointed representative or a licensed independent public accountant.
17. **SPACE AUDIT.** Landlord certifies that the rentable square feet set forth in the Lease is accurate to the best of its knowledge. Within thirty (30) days of the Commencement Date, Tenant reserves the right to perform physical measurements of the Leased Premises and adjust the Monthly Rental Installments proportionally based upon such measurements .
18. **COMMON AREAS.** During the Term of the Lease, Landlord agrees that Tenant and its employees, agents, invitees and visitors shall have the non-exclusive right to use the Common Areas for their intended purpose. Except for repairs, maintenance and replacements required under the Lease, Landlord shall not materially alter (or permit the material alteration of) any entrances, exits, corridors, sidewalks or hallways providing access to or from the Leased Premises. Landlord represents and warrants to Tenant that the Common Areas include all areas which are necessary for the use of the Leased Premises for its current use. As used herein, "Common Areas" means all portions of the Building and land on which the Building is located intended for the general use or benefit of Tenants or owners of the Building, and their employees, agents, and visitors, including, without limitation, all entrances, common corridors, parking areas, loading and unloading areas, trash areas, roadways, walkways, sidewalks and driveways.
19. **LANDLORD BUILDOUT.** Landlord shall provide a CADD drawing of the Leased Premises to the tenant services team within 30 days of execution of the Lease. No later than 90 days thereafter, Tenant shall provide test fits for the build out of the Leased Premises to State's specifications set forth on Exhibit D of the Lease. No later than 120 days after Landlord's receipt of the test fits, Landlord shall provide construction drawings for the build out of the Leased Premises to State's specifications set forth in Exhibit D of the Lease (the "Build Out Plans"). The Build Out Plans shall be signed and sealed by an architect or designer licensed to do business by the State of Tennessee and shall have been approved by the State Fire Marshal prior to delivery of the same to Tenant. Tenant shall have a reasonable amount of time to review and approve the Build Out Plans. The approval of Build Out Plans shall be given at the Tenant's sole discretion, but shall not be unreasonably withheld. Upon the Tenant's approval of the Build Out Plans, Landlord shall cause the Leased Premises to be put in the condition set forth in the Build Out Plans. The Tenant may provide its own project manager. Tenant's project manager shall be afforded complete access to the Leased Premises prior to and during construction in the Leased Premises. Landlord agrees that the work set forth in the Build Out Plans will be substantially completed and the Leased Premises ready for occupancy on _____ (the "Occupancy Date"). In the event that the work on the Leased Premises is not substantially complete and the Certificate of Occupancy has not been received by the Landlord by the Occupancy Date, then Tenant shall be entitled to receive full and agreed upon liquidated damages that equal one day of free rent for each day of delay beyond the Occupancy Date. Landlord and Tenant agree that said liquidated damages are reasonable under circumstances existing as of the date hereof, including, without limitation, the range of harm to Tenant that is reasonably foreseeable and the anticipation that proof of Tenant's actual damages would be costly, impractical, and inconvenient. In the event that the work on the Leased Premises is not substantially complete and the Certificate of Occupancy has not been received by the Landlord within 60 days of the Occupancy Date, the Tenant shall have the right to terminate the Lease, in its entirety and without notice.

20. **COMMENCEMENT OF TERM.** The Term of the Lease shall commence thirty (30) days after substantial completion of the construction in the Leased Premises and receipt of a Certificate of Occupancy issued by the authority having jurisdiction. The commencement of Term of the Lease shall be memorialized by mutual execution of Exhibit C of the Lease.

DOC LEASE SPACE DESIGN CONCEPTS:

A. Security Zone Concepts

Leased space should be designed to establish a minimum of three levels of security to protect staff and secure records within the lease areas.

1. The first interior zone, Zone 1, should surround the Waiting Room and the visitor restrooms. Walls surrounding this zone should extend to the roof or ceiling deck.
2. The second zone, Zone 2, should surround areas where staff generally interact with visitors/offenders; the Interview rooms, Drug Testing, Group Intake, Finger Print areas, and other areas as designated.
3. Zone 3 will make up the remaining leased space, mostly general staff work areas.
4. Doors between Zones 2 and 3 will require ID swipe card readers or punch code locks for access. (agency expense), Lessor to provide electrical to the readers.

B. Parking:

1. Officer/staff parking lot: preference is for this separate lot to be located adjacent to a side or rear staff entrance. One building exit should be directly adjacent to a staff parking lot to facilitate removal of an offender in a non-public setting.
2. The agency prefers for visitor/offender parking layout to include two access/enter points, if possible.
3. Secure "fleet car" paved parking should not be located more than 300-feet from a staff entrance and requires an 8-feet high security fence and separate swipe activated or key-coded electric vehicle & pedestrian gates. *(Agency discretion is reserved for evaluation of alternate layout)*

C. General Building Design Issues:

1. Exterior walls should be masonry or brick veneer construction and should not include typical "storefront" window-wall assemblies.
 2. Provide exterior site lighting at all building entry/exit doors and area lighting for all parking & pedestrian areas.
 3. The building entrance door(s) and customer waiting area should be fully visible to the receptionist.
 4. Front door(s) to the Waiting Room should be full glass doors. Front door entry shall include a vestibule design with doors not providing a direct view into the building.
 5. Interior door(s) of Waiting Room vestibule should also be full glass.
- No corridor to the back of the building should be directly in line with the front door.
 - Design space (windows, sidelights, etc.) so that staff can monitor ingress/egress for either the front or back of the building.
 - Smoking is not permitted in leased facilities. However, the Lessor must provide a designated smoking area no closer than 50 feet to any lease entrance.

D. Building Exterior Signage:

- Road/frontage signage shall be provided if space is not visible from main frontage road.
- Building signage per TDOC design standards (to be provided by Agency)

E. Exterior Windows:

- Exterior office windows should generally be 5-feet above the floor to prevent straight look into the interior staff spaces. TDOC may accept window tinting in existing lease spaces. Provide window treatment/blinds for all exterior windows, preferably metal blinds, furnished at Landlord's expense.

F. State ID Swipe Card or Punch Code Entry System:

- NOTE- Hardware including electric strikes and magnetic locks if required to be provided by Landlord.
- The following rooms should be accessed by a 'card swipe' system using State ID's or punch code locks installed at Agency expense: all side/rear employee entry doors, Conference Rooms, File Rooms, Telecommunications Room and other rooms as requested. Interior entry/exit access doors between 'Security Zones' will require swipe or punch code access at Agency expense.

G. Waiting Room/Lobby Sizing (Secure Zone 1):

- Design waiting areas so that receptionist can easily watch the waiting area, Client Window(s), and entrance doors at all times. See example.
- Provide electrical release for door from waiting area to staff area, controlled by receptionist. Provide motion detector/request for release button on the staff side of door.
- The visitor restrooms should be located in the Waiting Room. Provide both male and female visitor restrooms.
- Staff restrooms should not be located in the same area as client restrooms, and preferably not on the same plumbing wall.
- Provide drinking fountain in waiting area and separate drinking fountain for staff located in staff work area.
- Provide wall blocking and power and data outlet for TDOC-provided TV.

H. Conference Rooms:

- Conference rooms need to have power/data outlets in ceiling (for ceiling-mounted projection equipment).
- One wall (longest dimension) should be a full floor-to-ceiling whiteboard (paint type system).
- Conference Rooms shall have outside access doors (confirm layout with tenant).

I. Drug Testing Rooms (Secure Zone 2):

- Stainless Steel counter tops.
- Door should swing out of the room, if possible.
- Floor finish should be vinyl tile.
- High-ceiling mirror above toilet installed by lessor and a cased opening pass-thru to monitoring room
- Include space for under-counter refrigerator (provided by TDOC). Landlord to supply power and electrical outlet.

J. Staff Break Room:

- Provide wall blocking and power and data outlet for TDOC-provided TV. Coordinate with tenant for location.

K. File Rooms:

- Electrical outlets in file areas with standard 5-drawer filing cabinets shall be set at 60-inches AFF.

L. Security Cameras:

- Provide data lines with double junction box mounting and conduit to the Telecommunications Room for the following camera locations; adjacent to all exterior entry doors, the Waiting Room and other locations, based on the lease space required, within the staff areas based on the final space layout.

M. Building Maintenance:

- Janitorial services shall not be allowed within leased areas unless TDOC staff is available or approved otherwise by TDOC staff.
- Cleaning products need to be low in Volatile Organic Compound and moderately acidic or alkaline.
- Janitorial services need to inspect building walls, and systems and ventilation ductwork, monthly, to confirm no freestanding water, mold, or mildew is present.

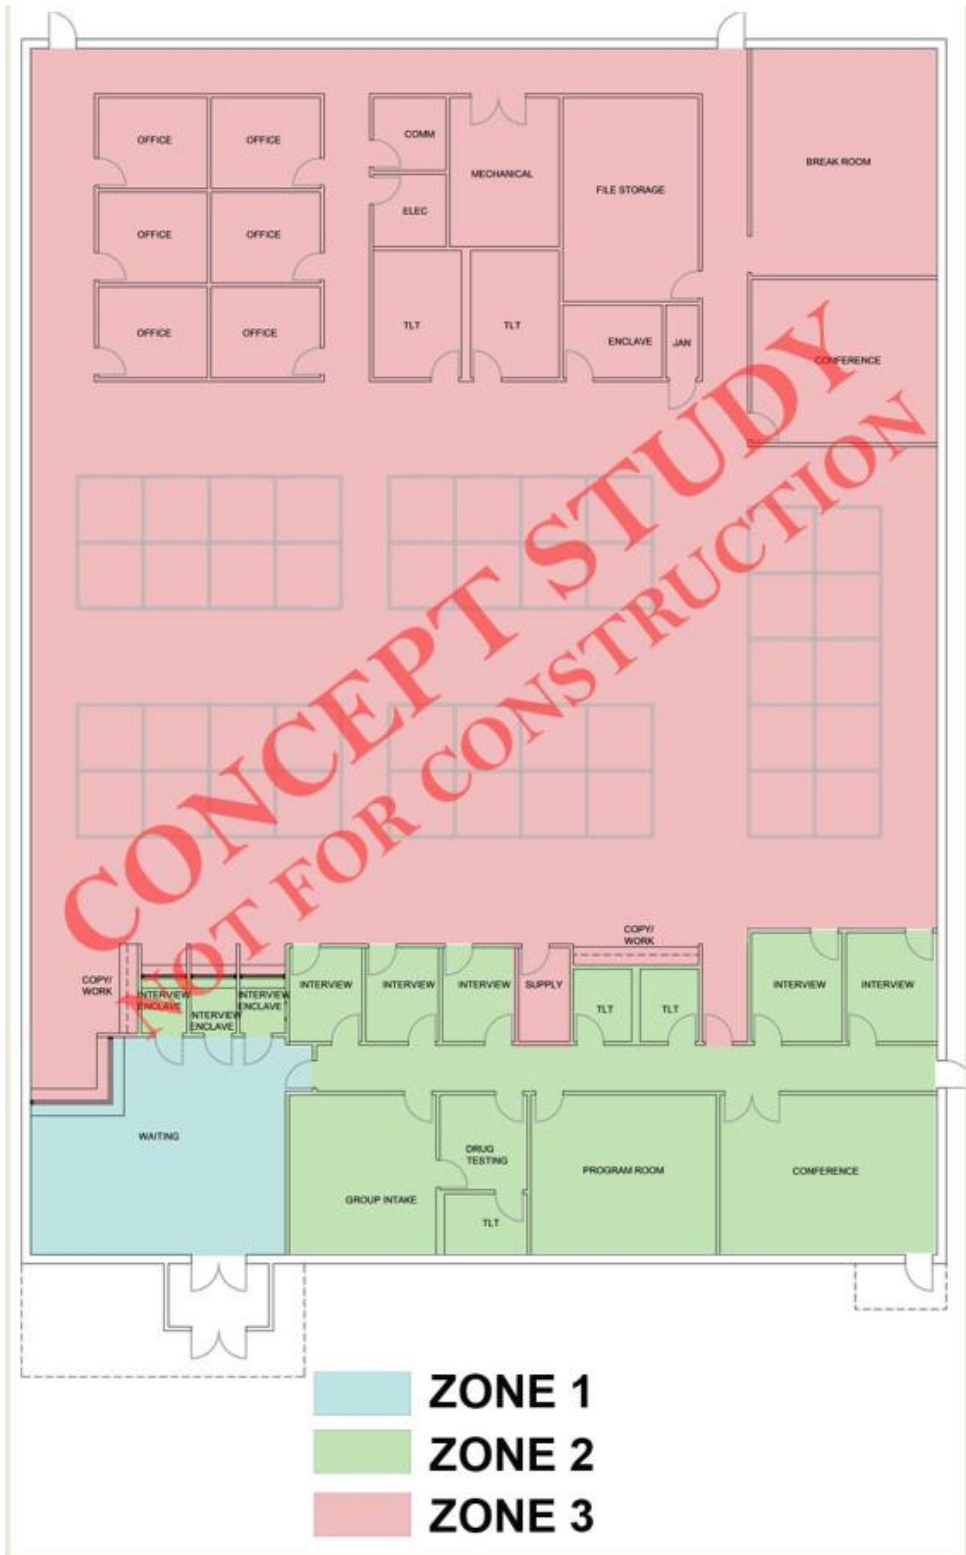

N. Building Evacuation Plans:

- Provide drawings showing only walls and room names. These drawings will be used for start-up planning and fire evacuation diagrams by TDOC.
- Include room and door numbers.
